M. Gobert, an expert, testified that from an examination of the documents that Esterhazy and not Dreyfus was the author. He was most emphatic in his opinion.

M. Bertillon was the next witness. He caused a sensation and laughter by bringing in a squad composed of an infantry sergeant and four privates all carrying heavy satchels bulging with diagrams and documents. His examination occupied the whole session and is not yet concluded. It also scratched him several times with its claws. The wounds were properly treated to guard against any serious results. It is safe to say the cat did not live to bite anyone else.

FROM PLENTIFUL STORE.

Today the editor was in receipt of a supplement to the World-Herald of Omaha, Nebraska, sent him by an old-time friend, Will H. Thompson, Esq., who is a successful attorney in that great metropolis of the Northwest. Glancing over the supplement, which is devoted to "the bench and bar of Nebraska," the writer was struck by the frequency with which the distinguished jurists and learned lawyers were set down as hailing from Ohio.

By a loose count the Buckeye state contributed half a hundred to the list of legal luminaries who are prominent enough to have their cuts and sketches printed.

It is observable that in Nebraska the Ohioan takes naturally to office, or the office takes to the Ohioan.

Among the more noted persons recorded by the supplement are the following, all natives of Ohio:

T. O. C. Harrison, born in Clinton county, is the chief justice of the supreme court.

Leonard W. Colby, a native of Ashtabula county. He was a general in the late Spanish war and did distinguished service in Cuba.

Edwin Falloon, of Athens, district judge.

F. M. Davis and W. H. Davis, father and son, born in Hocking county, composing one of the foremost firms in commercial law.

Henry A. Wilson, whose exact birth-place is not given, grand master of the Nebraska Masons and esteemed one of the most graceful orators in the West.

C. T. Dickinson, born in New Richmond, and now a district judge at Omaha.

Cunningham R. Scott, born in Wayne county. He is judge at Omaha, and about four years ago had the whole town by the ear. He was notorious for his advocacy of A. P. A. -ism, sent the editor of the Bee to jail in a row over the order and came near being impeached himself. His son is assistant city attorney.

L. H. Bradley hails from Gallia county. He won considerable fame for his prosecution as assistant United States district of the Peoria whisky cases in which he completely whipped Bob Ingersoll.

John C. Cowin claims Cuyahoga as his birth-place. He served four years in the civil war and there got the title of general. He acted as special counsel for the national government in the Union Pacific foreclosure suits, in which over \$64,000,000 were recovered.

George W. Doan emigrated from Circleville. He has been a member of the legislature, prosecuting attorney, district attorney, state senator, district judge, but, strange to say, was beaten after he secured a nomination for congress.

Charles A. Gloss first saw daylight in Portage county. He is attorney at Omaha for the great Drexel estate.

Ralph W. Breckenridge calls Carlisle his old home. He is special United States attorney in Indian matters.

William R. Kelley probably draws the biggest salary of any Nebraska lawyer. He is solicitor general for

the Union Pacific. He is a native of Licking county and marched with old Tecumseh Sherman to the sea.

Jacob L. Kaley moved from Tiffin to Omaha, where he was elected county attorney of Douglas, and in two years sent 143 criminals to the penitentiary—the greatest record ever made there by a public prosecutor.

C. F. Manderson was once city attorney of Canton, McKinley's home. He went West to grow up with the country, and grew. He has been brigadier general, United States senator and is now general solicitor of the great Burlington system.

E. W. Simeral's boyhood home was Steubenville. He was the first prosecuting attorney of Douglas, Nebraska's biggest county.

Elmer E. Thomas seems like a home boy, as he was born at Iron-ton. It is claimed that as assistant district attorney of Douglas county he is making an unrivaled record in that office.

John L. Webster just acknowledges all Ohio as his native land. He was a member of the legislature and the constitutional convention and special counsel in all the great political lawsuits that have distracted Nebraska of late years. Last winter he was a prominent candidate for United States senator.

Frank J. Everett, who has just finished a term as judge of Calaveras county, was born at Hicksville.

W. V. Allen's native county is Madison. He was United States senator from Nebraska and is now district judge.

John R. Thompson was born in Carroll county and is district judge at Grand Island.

These are a few of the able sons that Buckeyedom has given from her lavish store to the needy West.

The water works question reaches the hysterical in comicality, when Prosecuting Attorney Bannon threatens to throw himself in the breach and bring a suit in quo warranto to settle the rights of the public. If Prosecutor Bannon had always the zeal for the public good that he displays in this matter, coupled with a modicum of sagacity, so many thieves, forgers and divekeepers, that were once in his clutches, would not have gone free to prey upon the dear public. Then, this isn't Mr. Bannon's fight. It may be his duty to prosecute some of his clients on criminal charges, and altogether it would be best for him to keep his tongue still and his hands off.

TOLEDO JONES

Then there will be four 50-ton open hearth steel furnaces, which will furnish steel to be made into wire at the company's plant in this city. It is expected that these furnaces will be ready to begin operation early next year.

It is expected all three battalions will be on the Pacific coast before the close of next week, ready to sail early in September for Manila.

Hanged For Rape.

Charlotte, N. C., Aug. 25.—Julius Alexander, colored, was privately hanged here for assaulting a white woman. He confessed the crime, and said the penalty was just. A colored preacher, in a talk on the scaffold, said Alexander's crime was "one in which we are glad to see the law carried out."

Market Women Repulsed.

Paris, Aug. 25.—The police repulsed a number of market women who were trying to supply provisions to Jules Guerin, the anti-Semite agitator, and his companions who are now intrenched against the authorities at the headquarters of the anti-Semite league in the Rue De Chambrol.

CANVASS

Of the Water Works Field of War.

Spicy Interview With Ex-Clerk Hall, Who Refuses to Be Ousted—The Statutes Involved.

The Times, after a careful canvass of the city, finds the people about equally divided in opinion as to who is the legal clerk, or secretary, of the water works board. A big majority of them, though, think it was wrong in removing the books of the water works from the safe, where they were kept, and concealing them from the majority of the water works trustees and citizens who might at any time want to look at them. A majority of the people also condemn Mr. Hall for remaining mum when the majority of the water works trustees sent to Hamilton and got an expert to open the safe. Hall knew the combination and could have opened the safe, showed the trustees the books were not there and thus saved the taxpayers an expense.

Mr. Hall was seen this morning by a Times reporter. Are you the only person who knew the combination of the safe? was asked.

"One other person knew the combination," replied Mr. Hall.

Who is that person?

"I won't tell you."

Did he take the books or know about them being taken?

"Find out."

Were they taken at day or night?

"You will have to find out."

Did you take them?

"Find out."

Do you know where they are?

"I do, and will turn them over when required by law."

When a person pays water rent to you, do you enter it in the books right away?

"I make the entry all right and give the party paying receipt."

Then the books must be close at hand?

"They are not over two miles away."

Were you with Mr. Homer after the meeting of the water works trustees that elected Mr. Sikes?

"Mr. Homer and I were together after the meeting. We went across the street and got a glass of beer. I then went down street and he went home."

It will be remembered, in an interview with The Times, Mr. Homer denied in toto being with Mr. Hall after the meeting. A. J. Butts, Esq., saw them together on Gallia street, farther up than the Sasserac. A young lady of this city also saw two men on Gallia street carrying big books. John McMahon saw two men with books and papers.

During the civil war, as well as in our late war with Spain, diarrhoea was one of the most troublesome diseases the army had to contend with. In many instances it became chronic and the old soldiers still suffer from it. Mr. David Taylor, of Wind Ridge, Greene county, Pa., is one of these. He uses Chamberlain's Colic, Cholera and Diarrhoea Remedy and says he never found anything that would give him such quick relief. It is for sale by Fisher & Streich, druggists.

May Build a Brick Block

Council having declined to permit U. G. Drake to build a two-story, frame structure on his front street lot, Mr. Drake is now considering the advisability of putting up a two or three story brick building. In the event that he concludes to build he already has a renter in the firm of the Heer Shoe company, who agree to take the second and third floors.

On the McLean Slate.

The Cincinnati Post says that J. I. Gorman is on the John R. McLean slate for state treasurer. Mr. Gorman is one of the fighting Democrats the party should honor, and his friends here earnestly hope that he will land the nomination and be elected.

Back from the East.

Dr. G. Wash Williams has returned from "away down East," where he spent a week bathing his feet in the broad Atlantic and flirting with the mermaids that make the ocean their rendezvous. He has improved in health and is now ready for business.

Rev. Mr. Dillon Will Preach.

The fourth quarterly meeting of the Denver Methodist Episcopal charge will be held at Mt. Pleasant Grove church, Ross county, Saturday and Sunday. The exercises attending the session will begin at 3 o'clock Saturday afternoon with the quarterly conference and will be followed in the evening by a sermon by Rev. J. W. Dillon, of this city.

WHAT IT MEANS.

Portsmouth Is Learning It Fast—Proof Not Lacking.

Everybody has it, That tired feeling. Don't know what it means, Keeps you awake at night, Destroys daily comfort, Wearies the body, worries the mind.

You should shake it off, You should be healthful and strong. So you can, If you go at it right. First learn what it means. Some say that it's bad blood, Others say that it's lazy liver. They're all wrong. Tired feeling means lame kidneys, Just as lame back means kidney ache.

How do we know it? Because Doan's Kidney Pills cure it.

And they are for kidneys only. How can we prove it? Because Portsmouth people say so. Here is a case in point:

Mr. Harry Distelrath, 207 East Eleventh street, says: "Mine is the same old story—dragging backache from kidney trouble, which worried me for several years. I was never free from it, and at times it was distressing, right on both sides of the back just above the hips. I knew that the kidneys were not doing the work as they should, as the secretions were very highly colored. Reading about Doan's Kidney Pills induced me to try them, and I went to Fisher & Streich's drug store and obtained a box. I seemed to feel the good of them right away. I remarked to my wife at the time that they were the right thing to have. After I used them my back was strong and there was no pain in it. I feel as supple as when I was a boy."

Doan's Kidney Pills are for sale by all dealers. Price 50 cents. Mailed by Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

Will Remove Their Office.

The Philadelphia dental parlors will remove to quarters in the new Lloyd building, over Purcell & Bragdon's store.

Rented His Room.

A. Seel has rented the room now occupied by the Seeborn drug store to an out-of-town person, who will occupy it March 1st.

CLOSE CALL

Did Some Workmen Have Thursday Afternoon

While Working on Campbell Avenue School House—Derrick Fell and Several Had Narrow Escapes.

A very serious, if not fatal, accident was narrowly averted at the new school building on Campbell avenue Thursday afternoon, when some timbers gave way, causing one of the large derricks to fall.

A half dozen men were working near it. As the derrick fell in three pieces the workmen could hardly tell which way to run to escape. Fortunately none were seriously injured, but Reason Jewett, of West Front street, made a narrow escape, one of the falling timbers striking him on the side and hip, badly bruising both.

He was taken to his home, where he will be compelled to remain for several days.

THIS IS TOUGH.

Women Will Have to Tell Their Ages or Go to Jail.

Women will be obliged to give their correct age in the coming census. The new law says: "Women who refuse to tell their age or make inaccurate statements thereof, as well as all other persons refusing to reply to the questions or making false statements, shall on conviction be fined one hundred dollars and if the fine is not paid go to jail."

Dr. Alderson's Movements.

Dr. S. B. Alderson, who has been at Northfield, Mass., for several weeks attending the Moody Bible school, is at present at Harper's Ferry, Va., and is expected home next week. He spent last week in Washington City, but writes that the weather was excessively hot and he sought his present locality as being more congenial.

Scott Is Successful.

J. W. Scott, of Huntington, who recently opened an "all day and night" restaurant in the Powers property at Fourth and Chillicothe streets, is meeting with success and will increase his room by the addition of that portion now occupied by the office of the American Steam laundry. He is also having the building repainted and will add new counters and fixtures.

Rented Another Room.

Mrs. L. C. Beluss Smoot has rented the adjoining room to her present store, at 304 Chillicothe street, occupied by C. Spencer Cole, and will add it to her present quarters. She is also putting in new fixtures. Mr. Cole has not yet decided where he will move.

Sold Three Registers Here.

Arthur Mills, of the National Cash Register company, one of the best all-around salesmen who makes this territory, was in the city Thursday and placed three new cash registers. Mr. Mills invites any Portsmouth people who may visit Dayton at any time to call and inspect his company's plant, one of the most complete institutions in the United States.

Are Undecided.

The Zottman Bros. have not decided where they will move their Chillicothe street office of the American Steam laundry. J. W. Scott, the restaurant man, wants the entire building.

A YOUNG MOTHER

flushed with perfect health and strength, said, as she exhibited with pride her baby, "I must confess that my present health and the almost phenomenal development and good health of baby are due to the use of Pabst Malt Extract, The "Best" Tonic. The necessity of feeding the child was such a tax on me at first that I became nervous, weak and exhausted. "Best" Tonic was recommended. I took it and began to build at once. Baby began to show the effects within a week. I continued its use for months, until I went out into the country and neglected to take my tonic with me. I lost fifteen pounds in six weeks, and could scarcely feed baby. Since returning, some three weeks ago, I have again been taking "Best" Tonic. I have gained six pounds and the little one is again progressing. Just think, he is nineteen months old, weighs 32 pounds, and I have not weaned him yet."

Let every mother apply this to her own experience and at least give the "Best" Tonic a trial, if not for her own sake, for that of her child. Let her provide for baby as nature says every mother should.

To produce magnificent children was a supreme aim among the Greeks, those lovers of perfection in those rigid athletic exercises which aggrandized the glory of the body. For without a perfect body how can a babe at once begin to fight the battle of existence with conquering energy, or how derive those elements of hardiness, pure blood, calm nerves and bright mind, if the mother is not prepared, helped and insured against too great weakness, given the

right sustenance, and kept in a position of ease, happy thought, pleasing sensations and good sound slumbers. Hundreds of children are puny, slow, with nerveless supine motions and untellable countenances, because the mother was forced to put all her energies into the power to bear them, without the strength besides to give them the vital flow of sturdy health. Habitual use of Pabst Malt Extract, The "Best" Tonic, makes rich and pure blood, strengthens the bones and muscles, and adds to the development of the perfect form, a glowing vitality in the mother, which aids her not only to bear, but build.

I have seen very good results from the prolonged use of your Malt Extract, The "Best" Tonic, and I find the preparation very beneficial, especially for nursing women.

DR. F. BECKER-LAURICH, New York, N. Y.

I derived several of my patients to get a case of it. I shall keep ordering it for my patients as long as I find it benefits them as much as it has.

My wife has begun to take Pabst Malt Extract, and it seems to have benefited her

already, though she has not taken enough yet to expect any great improvement. She has taken a great deal of malt and thinks that on the whole Pabst's is the best in reality as well as in name. I shall surely prescribe The "Best" Tonic in cases where a malt extract is indicated. G. W. HUSE, M. D. Dorchester, Mass.

NERVE

Displayed by Thieves Last
Wednesday Night.

Stole Eatables and Then Sat Down
and Ate Them on the Spot.

Occurrence Took Place at Residence of
Fred Knauss on East Twelfth Street
—Coat Stolen from Harry Sleight.

Burglars were very much in evidence on East Twelfth street Wednesday night, several homes being visited.

The home of Fred Knauss was visited and ransacked. Entrance was effected by means of the cellar. Nothing was taken aside from some food and canned fruits. The thieves coolly carried the articles out in the yard and there enjoyed a lunch. Mr. Knauss is at present in Chillicothe working in the B. & O. S-W. shops, but his family were all at home.

After leaving the Knauss residence the thieves wandered on up Twelfth street and at Harry Sleight's residence found a coat hanging on the porch. It was Harry's working coat, but that didn't matter. The thieves just picked it up and sauntered on.

Reports have come in from various places where windows were tested and efforts made to gain entrance. There seems to be a regular organized band of thieves at work in the city.

DEAR BOYS

Up at South Point Are Singing Sentimental Songs.

The Catlettburg Independent says: "After a week's delightful house party, given by Miss Elizabeth Ferguson at her South Point home, the Portsmouth and Columbus young lady guests departed yesterday and today, loud in their praise of Miss Ferguson's hospitality and the many delights afforded them during their stay here. Apropos of this, we might add that several of our local young men are now wearing a gone-and-forgotten-far-away look, and whistle and hum soft strains from "Love's Young Dream," "Just One Girl," "I'll Whistle and Wait for Katie," etc.

Mr. C. C. Hyatt—Will Be on
the 29th of August.

Built the First Brick School House
and the Second Church in Portsmouth—May Reach 100.

The venerable C. C. Hyatt was down street this morning, and in an interview with a Times representative gave the information that on Tuesday, August 29th, he would celebrate his ninety-sixth birthday. His health is good and he is still pretty spry and active. He gives every encouragement of reaching one hundred years. As a result of a fall received a few years ago, he is now unable to walk. His appetite is good and he is able to read fine print without the aid of glasses.

In speaking of the new hotel Mr. Hyatt suggested that it should be called Hotel de Hyatt.

Mr. Hyatt claims to have built the first brick school house in the city, the second church, the court house and the first cement cistern. The last structure erected by him was the Sixth Street Methodist church. A large number of the brick residences were constructed by him. He was until within the last few weeks able to get around with the aid of crutches, but he cannot do that now.

TREASURER

Will Have to Show Why He Does Not Pay Money

TO WATER WORKS MEN.

Alternative Writ Secured by Solicitor Thomas from Judge Collings

And Treasurer John B. Tracy Is Cited to Appear Before Him at Mineral Spring Next Tuesday.

City Solicitor Jas. S. Thomas returned this afternoon from Adams county, where he went to see Judge Henry Collings in reference to the water works squabble.

Mr. Thomas secured from Judge Collings what is known as an alternative writ citing Treasurer John B. Tracy to appear before him (Collings) at Mineral Springs, Adams county, next Tuesday morning at 10 o'clock. At this time Treasurer Tracy will be required to show cause why he should not pay the water works money to employees and honor the requisitions and orders of the trustees. The paper will be served upon Treasurer Tracy at once and the matter will now rest until next Tuesday morning.

Mr. Thomas had some difficulty in locating Judge Collings yesterday. When he got to Manchester he found that he had gone to West Union to make an address at a pioneer's meeting and followed him there. Late in the afternoon he saw the judge and secured the necessary writ.

The burden of proof is now on Treasurer Tracy. He will have to show good reasons why he should not pay out the money.

In the meantime the public pays no water rents and wonders at the greatness of the Republican gangs. Occasionally a still, small voice is heard wondering "where them books is," but that is all. Only Tom Hall, John Homer, Judge Dever and the Lord know and none of them will tell.

POLICE NEWS.

John Davis, a second-hand furniture dealer of Sixth and Gay street, was a caller this afternoon at the mayor's office. He was accompanied by his daughter, Mrs. Ellen Carter, whose husband, Asa Carter, has deserted her and her three children.

She said he was now in Allen county and she wished, if possible, to compel him to contribute to her support. They had been married seven years and lived happily together, but last fall he left without cause and has only sent her \$5 since that time.

She is not at all anxious to live with him, but wishes him punished and compelled to assist her. She was advised to see Prosecutor Bannon and to lay her case before the grand jury. This she will do and bring the recreant husband to justice.

Flora Walker, a domestic in the employ of Mack Cole, of the West Side, called upon Mayor Glidden this afternoon and preferred a charge of criminal assault against young Joe Reiniger, of West Third street, who is employed in a local shoe factory. The charge is a very serious one and young Reiniger's friends hope there is some mistake.

Frank Egan, the tramp from Ironton who created a riot in the Sixth ward Wednesday night, was tried this afternoon, found guilty, fined \$100 and costs and sentenced to the Cincinnati work house for thirty days.

Mrs. Charlotte Patterson called at the mayor's office this afternoon to prefer charges against a boy who, she said, threw a rock and struck the head of her son Andy. She did not know the name of the lad, but said she could identify him.

Headlong Over a Bank Did a Frightened Horse

Dragging a Carriage and Two Pike County Citizens With It—Experience on the Blue Run Pike.

George Kedash and John Samson, of California, Pike county, experienced what might have been a very serious accident Wednesday night. They were driving home from this city, and while going down the Schuman hill, on the Blue Run pike, one of the hold-back straps of the harness broke. This frightened the horse and it started to run down the hill. Owing to the shade it was very dark, and the occupants of the buggy could not see where to guide the frightened animal. In a few moments horse, buggy and men went over a steep embankment. Strange to say, neither Kedash, Samson nor the horse was seriously injured. The horse was extricated from the wrecked buggy, another buggy was secured from nearby farmer, and the gentlemen soon landed safely at home.

Still More Counterfeiting.

The Secret Service has unearthed another band of counterfeiters and secured a large quantity of bogus bills, which are so cleverly executed that the average person would never suspect them of being spurious. Things of great value are always selected by counterfeiters for imitation, notably the celebrated Horstetter's Stomach Bitters, which has many imitators but no equals for digestion, dyspepsia, constipation, nervousness and general debility. The Bitters sets this right in the stomach, and when the stomach is in good order it makes good blood and plenty of it. In this manner the Bitters get at the seat of strength and vitality, and restore vigor to the weak and debilitated. Beware of counterfeiters when buying.

A person whom I know explains his pretty constant use of Ripans Tabules in this way. "When your hands are soiled," said he, "you apply water to them. If you are fatigued or travel-stained, a bath is efficient and pleasant in its restorative and freshening effect. Yet your hands will get dirty again; and on occasion you will once more be soiled by perspiration, and require water and soap. Now Ripans Tabules are to the inner man about what soap and water are to the outward. They refresh and sweeten, and will do so again and again, as often as occasion requires, which will be every now and then with all people who are hurried about meals, or who fail to masticate their food properly or are compelled to subsist on food that is improperly cooked or prepared. The people of this sort include about seven-eighths of every civilized community."

A new style packet containing TEN RIPANS TABULES in a paper carton (without glass) is now for sale at some drug stores—for five cents. This low priced packet is intended for the poor and the economical. One dozen of the five-cent cartons (50 tablets) can be had by mail by sending four-eight cents to the FRANKS CHEMICAL COMPANY, No. 10 Spruce Street, New York—or a single carton (TEN TABULES) will be sent for five cents.

Clay township is seldom very long without material for a lawsuit, and the foundation was laid for one Thursday. W. H. Reed purchased a fine calf from a German citizen of Bloom township and paid the stipulated price, the calf to be delivered at Mr. Reed's residence. The purchase was made at the head of Mann's Run. Before the German citizen reached New Boston he met William Fitch, the East End butcher, who offered one dollar more for the calf than Mr. Reed had paid. The old farmer saw where he could make a dollar. He knew Mr. Reed had gone to Harrisonville, so he therefore took Mr. Fitch's money, gave him Mr. Reed's calf and then left the money Mr. Reed had paid him at Mr. Reed's residence. The matter will be settled in the courts.

A Mother Tells How She Saved Her Little Daughter's Life.

I am the mother of eight children and have had a great deal of experience with medicines. Last summer my little daughter had the dysentery in its worst form. We thought she would die. I tried everything I could think of, but nothing seemed to do her any good. I saw by an advertisement in our paper that Chamberlain's Colic, Cholera and Diarrhoea Remedy was highly recommended and sent and got a bottle at once. It proved to be one of the very best medicines we ever had in the house. It saved my little daughter's life. I am anxious for every mother to know what an excellent medicine it is. Had I known it at first it would have saved me a great deal of anxiety and my little daughter much suffering. Yours truly, Mrs. Geo. F. Burdick, Liberty, R. I. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of particulars.

SWEEPING THE ISLES

Dominican Revolution Promises to Be a Bloodless One.

WHOLE TOWNS GO OVER TO JIMINEZ.

Uprising Winning Sympathy by the Character of Its Methods, Which Are Strong and Human—No Check of the Movement Attempted on the Eastern Boundary.

Puerto Plata, San Domingo, Aug. 25.—Generals Caceres, Vasquez and Brache, at the head of 500 revolutionists, appeared before Macoris. They left the great body of their troops at the entrance to the city, and with 20 men, advanced to the governor's house, demanding surrender. Governor Castillo, thoroughly cowed, repaired to the plaza without making any resistance and the delivery of the park, fort, arsenal and government buildings was then effected. The revolutionists then formally occupied the surrounding country, meeting with no opposition.

In this way the revolution, strong and humane, is rapidly advancing, avoiding so far as possible the shedding of blood, and winning sympathy by the character of its methods. The complete victory of the cause of Jiminez seems assured. There is no check on the eastern boundary.

News has been received from Puerto Plata that Sanchez Blanco, near Puerto Plata, and Moca, have declared in favor of the revolution. Puerto Plata also expects a similar declaration on the part of Santiago.

General Pepin, the governor of Santiago, left the province some time ago to march on the insurgents, and it is believed in Puerto Plata that Santiago will rise and march on La Vega.

Aid For Jiminez.

Havana, Aug. 25.—General Juan Isidro Jiminez, the revolutionary aspirant to the presidency of Santo Domingo, who is now in Manzanillo, has received during the last three days more than \$90 applications to join any expeditions he may intend to send to Santo Domingo. The applications include many Cuban officers who served under the late General Garcia.

Gage Takes a Hand.

Washington, Aug. 25.—Owing to the conflict of authority between the state and national quarantine authorities at San Francisco, Secretary Gage telegraphed the collector of customs at that port to employ a sufficient force to enforce the federal government regulations. The Marine hospital service is laboring earnestly to keep infectious diseases out of the country, and at San Francisco is directing its efforts especially against the bubonic plague.

Others Join.

Cleveland, Aug. 25.—The Pennsylvania and Nickel Plate roads have joined the rate war by meeting the Erie's rate on New York business.

Censured the Governor.

Des Moines, Ia., Aug. 25.—The National Union Veterans' union adopted resolutions denouncing Governor Shaw for appointing J. Rush Lincoln, an ex-Confederate, as brigadier general of Iowa troops when they were called into service at the opening of the Spanish war. The governor, at a camp fire of the order, defended himself for this action. He said Lincoln was conceded the best military man in the state. There were expressions of disapprobation while he was talking.

NETTLED THE JUDGES

Counsel Labori Riddles a String of Military Puppets.

MERCIER AGAIN IN A BAD LIGHT.

Session of the Dreyfus Courtmartial Marked by Stirring Scenes and Incidents—Doubt That a Conspiracy Existed Among Army Officers Against the Accused Man.

Rennes, Aug. 25.—Dreyfus courtmartial proceedings opened with a skirmish entirely favorable to the defense over Colonel Maurel, president of the courtmartial of 1894, who admitted reading one of the secret documents to the court, which had not been seen by the defense. He protested that only one document was looked at, alleging that this sufficed to enable him to form a conviction that could not be shaken.

This protest made matters worse, because, M. Labori pointed out, if he perused one it was his bounden duty to peruse all. Colonel Jouaust upheld Colonel Maurel in his refusal to indicate the nature of the document he read.

All this, however, was only preliminary to a fierce battle that ensued between M. Labori and General Mercier, the latter receiving reinforcements from General Roget, General Gonse and General DeBoisdeffre, as well as invaluable assistance from Colonel Jouaust himself.

M. Labori took General Mercier over the whole ground of his previous deposition. This led to several sharp passages at arms between the advocates and Colonel Jouaust, who upheld Mercier in refusing to reply to several questions.

The intervention of Generals Gonse, Roget and DeBoisdeffre and Major Lauth, who, in rapid succession, mounted the stage or rose in their seats and interposed remarks, was very exciting, and carried the spectators along on a wave of breathless interest.

Bodes Ill For Dreyfus: M. Labori's cross-examination was successful so far as it went, but Colonel Jouaust prevented him pressing his advantage to the utmost. In fact, Jouaust's hostile attitude toward the counsel for the defense then and during the cross-examination of the witness, M. DeGrand Maison, evoked the severest criticism on the part of the public present, and bodes ill for Dreyfus. Not only Colonel Jouaust, but the other judges displayed considerable impatience during Labori's seething cross-examination.

The examination of Chamoin showed Mercier in a very bad light, as it brought out that he had privately communicated to Chamoin, on the first day of the secret session, a report on the Panizzardi dispatch for insertion in the secret dossier. General Chamoin admitted that he did wrong in accepting the report, but pleaded ignorance in judicial matters.

The report consisted of three pages, of which the second and third, Chamoin declared, contained fantastic and in fact false representations.

M. Labori brought General Mercier to the bar in reference to this. Mercier admitted that the reports emanated from Du Paty De Clam, but claimed that he himself did not understand its contents, though he thought it would be interesting and perhaps useful to Chamoin. This explanation was regarded as very lame, and, combined with other shady actions, would damn Mercier as a witness in the eyes of any impartial tribunal.

The remainder of the sitting was taken up with the deposition of minor witnesses, mostly M. Beaurepaire's puppets whose evidence, when it did not bore the audience, produced merriment. Dreyfus made a speech in his own behalf, indignantly denying that he had made a confession to Colonel Henry.

A medical certificate signed by doctors unknown here was read, declaring that it was impossible for Colonel Du Paty De Clam to leave his bed and come to Rennes to testify. M. Labori asked that two well-known medical men should be instructed to examine him, but Colonel Jouaust refused.

No Military Plot.

Seattle, Wash., Aug. 25.—M. Leon Bureau, the private secretary of Maitre Labori, the leading counsel for Dreyfus, who has been in Seattle visiting the French vice consul, Dr. Mononda, has left for Paris. M. Bureau admitted that his trip to the northwest was for the purpose of securing information of great value to Dreyfus. He has obtained it, and this explains his desire to reach home without loss of time. He does not believe a conspiracy existed among army officers against Dreyfus. It was a case of an innocent man being prosecuted while the real culprit was in the background.

Courtmartial Impartial.

Rambouillet, France, Aug. 25.—In an address here, President Loubet said: "I am profoundly convinced that the troubles of the country are nearing the end. The measures adopted by the government bear witness to the fact that it is firmly resolved to defend the republic, preserve public peace and assure respect for the law. The whole country should bow to the verdict of the Rennes courtmartial, which can be relied upon for resolute impartiality."

UNITED

For Life Were Albert Butler
and Margaret Thoman

THURSDAY EVENING.

A Reception Was Given Later at the
Home of the Bride.

Many Parties and Socials Go to Make
Thursday Night a Merry One—
Social News of the Day.

At the home of the officiating priest, Rev. Father Louis Nonnen, of St. Mary's Catholic church, Miss Margaret Thoman was married Thursday evening to Mr. Albert Butler, the popular B. & O. S-W. brakeman, who came to this country from England. The attendants were Miss Hattie Schwegler, of West Seventh street, and Mr. Lou Thoman, the bride's brother. The bride was lovely in a gown of white Paris muslin, trimmed plentifully in narrow white satin ribbon. Her flowers were brides roses. The bridesmaid wore a gown which differed from the bride's only in its finishings, which were of Valenciennes lace. Her flowers were white carnations. From the parsonage the bridal party repaired to the home of the bride's parents, Mr. and Mrs. John B. Thoman, where a large reception was held. The house decorations were palms, ferns and pink and white asters, which are among the loveliest of the flora of this climate. Refreshments followed congratulations. Guests were invited to the dining-room by the bride's sister, little Miss Katharine Thoman. There Misses Anna Schwegler and Anna Yuenger graciously presided, assisted by the mother and sisters of the bride. The floral adornments of the table were ferns and roses. Sprigs of the fragrant woodbine were used as guest favors, and were pinned by Miss Mame Schwegler, as guests left the dining-room. Over fifty relatives and friends enjoyed the hospitality of the Thoman home on this occasion. Many valuable gifts were received, which will add much to the beauty and brightness of the home in Chillicothe the groom has in readiness for his bonnie bride. Mr. and Mrs. Butler left this afternoon on the B. & O. S-W. for their future home. They have the best wishes of a host of friends.

Mr. and Mrs. Frank P. Severo, of West Ninth street, entertained last evening with a six o'clock dinner, by way of celebrating the first anniversary of their wedding. The dinner and after dinner pleasures were thoroughly appreciated by the guests, who departed, wishing their host and hostess many more happy wedding anniversaries. Those present were: Mr. and Mrs. Banner Severo and son, Mr. and Mrs. Tom Severo and daughters, Misses Cora, Myrtle, Clara, Mary and Flora, and their brother, Walter, Mr. and Mrs. John Barlow and children.

Misses Clara Abrend, Emma Brandel, Bessie Bauer, Messrs. Sampson Eckhart and Frank Spencer spent the day delightfully Thursday at the summer home of Miss Katharine Bauer, daughter of Mr. and Mrs. Philip Bauer, of Clay township. Mr. Harry Distelrath, who has been enjoying the hospitality of the Bauer home for several days, was the guest of honor on this occasion.

Miss Jeannette Steahly entertained with a lawn party Thursday evening at the home of her parents, Mr. and Mrs. F. J. Steahly, of Greenlawn Heights. With games on the lawn the young folks were interested until time for the serving of the refreshments of ices, cake and fruit. The following is the guest list: Misses Christine Buerling, Rosa Hagaman, Laura Pfau, Rosa Schmank, Bertha Barlow, Katie Barlow, Belle Collins, Minnie Huber, Minnie Haubert, Theresa Herbst, Celia Petery, Clara Vollmer, Nina Grady, Amelia Holberg, Annie Gerlach, Ruth Faverty, Maggie Fuhs.

This afternoon Miss Jeannette

Adams, of East Second street, entertained with a picnic at Coney Island for the pleasure of Misses Louise and Aldean Van Patton, who expect to return next Monday to their home in Columbus. In care of Mrs. J. C. Adams and Miss Katie Bauer, the following guests participated: Misses Anna Thompson, Clara and Edith Burke, Margaret Hall, Louise Adams, Masters Thomas Hall and William and Angus Adams.

Mrs. J. J. Brushart entertained a few ladies last evening, informally, with cards. The first prize, a fancy plate, was won by Mrs. Kate Fitzgerald. Miss McMahon won the second prize, a powder box, and Mrs. Wm. Questel the "booby," a bisque ornament. The party was arranged as a farewell to Miss Anna Millay, of Columbus, who has been enjoying Portsmouth society for the past month, as the guest of her sister, Mrs. Patrick Walsh. Much to the regret of those present last evening, Miss Millay was not present, having been called home yesterday afternoon by the illness of her mother.

Miss Jessie Henderson, of East Third street, entertained the following young ladies at dinner last evening: Misses Grace Wilhelm, Stella Smith, Fannie and Nora Merrill. In the evening these young ladies entertained a number of gentlemen friends, among whom was Mr. Ehrhart, of Columbus.

An informal reception as held this afternoon at the home of Dr. and Mrs. P. J. Kline, for the pleasure of Mr. Jerome W. Adronse, of London, England, an artist, who has made a name for himself in this country. He came here upon invitation of Mrs. Kline and brought with him some of his beautiful water color pictures of English, Irish and Scotch scenery, which were on exhibition this afternoon in Mrs. Kline's parlors.

A large crowd attended the coffee social last evening at the home of Mr. and Mrs. John Linck, of East Sixth street. The hostesses of the occasion were Mesdames John Linck, Jacob Kah, Barbara Hellman, Katharine Hellman, Elizabeth Kress, Lena Duvendek, Phoebe Helfring, Katharine Hoesh, Elizabeth Herman, Kate Hamm.

The floral decorations of the home were nasturtiums, roses, pinks and other cut flowers. The evening passed rapidly in the enjoyment of the social pleasures which characterize all kaffee klatches.

The members of the Friday Kensington club and some of their friends will be entertained this evening with a "straw ride" to Wheelersburg and return. It was arranged by the gentlemen friends of the club members, in honor of the following out of town guests: Misses Margaret Hipple, of Dayton, Lena Hottes and Adele Lange, of Cincinnati.

Over thirty dollars is the financial result of the entertainment last night at the United Brethren church, given under the auspices of the Juniors and Sewing circle of the church. These young workers deserve much praise for the success, both socially and financially, which attended their efforts on this occasion.

The monthly meeting of the Woman's Auxiliary will be held in the chapel of All Saints church Saturday afternoon, at 3:30 o'clock.

With the Misses McElmurray, of Jackson street, as hostesses, the F. N. C. club members and a few of their friends spent Wednesday evening in the enjoyment of Grand View park pleasures. The honored guest of the occasion was Miss Edith Carlyon, of Ashland, Ky., guest of the Misses McElmurray.

Louisa lodge will entertain with an ice cream social Tuesday evening, August 29th, at the Harugari hall, on Gallia avenue. Admission fee, fifteen cents for adults and five cents for children. Everybody invited.

The Sunshine circle of the German Methodist church met last evening at the home of Miss Clara Winter and lected officers for the ensuing year as follows: President, Miss Lizzie Shela; vice-president, Miss Sarah Bauer; secretary, Miss Edna Marting; treasurer, Miss Ida

Herns. The object of this society is "to help the worthy poor." The next meeting will be with Miss Nellie Locher, of West Third.

Miss Katharine Thomas, of Cincinnati, is the guest of the Misses Knowles, of East Second street. Their brother, Attorney Robert Knowles, of New York City, is also a very welcome guest at the Knowles home. Mr. Knowles was graduated from Columbia college last June and immediately secured employment in the office of Mellville, Martin & Stevens, counselors at law, 120 Broadway.

OIL GUSHER

Struck in Vinton County by the Poland-Mercer Syndicate.

A McArthur dispatch says: "Oil was struck in Jackson township, this county, at a depth of 2,450 feet. The oil rose in the well to a depth of 1,500 feet."

This is thought to be one of the wells being sunk by John A. Poland and J. A. Mercer. They hoped to get enough gas to pipe to Portsmouth.
